

Do not scale from this drawing. Use figured dimensions only. Figured dimensions are in millimetres. All dimensions and levels shall be verified on site before proceeding with work. Detailed site survey to be carried out to verify positions and levels relationships with site features and ordnance survey. Boundaries are not intended to be verified by others. The architect shall be notified of any discrepancy. Where building components are described in the specification as 'contractor designed', 'construction' information relating to those components on this drawing represent design intent only.

- Existing Materials**
- 1. Red Brick
- 2. Stone
- 3. Painted Timber
- 4. Clay Tiles
- 5. Prefabricated Concrete Panels
- 6. Corrugated Metal Roof

Scale at 1:100

A horizontal scale bar with a black line and a white center. The line is divided into three segments by two vertical tick marks. The first segment is labeled '0' at its left end. The second segment is labeled '1' at its left end. The third segment is labeled '2' at its left end. The text 'Scale at 1:100' is positioned above the scale bar.
