

Do not scale from this drawing. Use framed dimensions only. Proposed dimensions are in millimetres. All dimensions and levels shall be verified on site before proceeding with works. Detailed site survey to be carried out to verify positions and level relationships. All dimensions and levels on this drawing are indicative only and to be verified by others. The architect must be notified of any discrepancy. Where building components are described as 'existing' these are contractor designed, 'construction' information relating to those components on this drawing represent design intent only.
