

The floor plan for the second floor shows a central staircase with a curved wall and a circular window. To the left of the staircase is a large, rectangular area with a dense, cross-hatched pattern, likely representing a garden or a large storage area. To the right of the staircase are three bedrooms: Bedroom 1 at the bottom, Bedroom 2 in the middle, and Bedroom 3 at the top. A bathroom is located between the staircase and Bedroom 2. The plan also shows several windows and doors, including a large window on the right wall of Bedroom 2 and a window on the left wall of Bedroom 3.

The drawing consists of two parts. The top part is a top-down view of a square frame. The frame is composed of a thick border with a cross-hatched pattern. Inside this border is a smaller square with a solid black fill. The bottom part is a side view of the same frame, showing its profile. It is a rectangle with a cross-hatched pattern, and a small square is attached to its bottom edge. The drawing is a technical illustration of a square frame with a cross-hatched pattern, showing a top-down view and a side view.

[illegible]

This floor plan shows the second floor of the house. It includes three bedrooms: Bedroom 1 (bottom right), Bedroom 2 (top right), and Bedroom 3 (bottom left). A bathroom is located at the top left. A central staircase with a red carpet features an 'UP' arrow pointing towards the third floor and a 'DN' arrow pointing towards the first floor. A large textured area on the left side of the plan represents a garden or patio. The plan also shows various doors, windows, and built-in furniture like wardrobes and a bathtub.

Architectural elevation drawing of a house. The drawing shows a gabled roof with a wide overhang. The main wall is covered in a pattern of small dots. The roof is labeled with a width of 3733. The main wall is labeled with a width of 8260. The house features a brick garage on the right, a front door on the left, and a small window above the door. The drawing is a black and white line art with a stippled texture for the main wall and a brick pattern for the garage.

Architectural section drawing of a three-story building. The drawing shows the internal structure, including walls, floors, and roof. Key dimensions are labeled: 2685 for the total height from the ground level to the top of the third floor, 2474 for the height of the second floor, and 2800 for the height of the third floor. The drawing also shows a loft area at the top right, labeled 'Loft 9189'. The building has a gabled roof on the left side and a flat roof on the right side. The ground level is indicated by a thick line at the bottom.
