

Architectural drawing of a building elevation. The drawing shows a long, low structure with a gabled roof and a chimney. The structure is composed of several rectangular volumes. On the right side, there is a taller section with a gabled roof and a chimney. The drawing is a line drawing with no shading.

This architectural elevation drawing shows a proposed outbuilding on the left, labeled "PROPOSED OUTBUILDING", with a height dimension of 2500. It is connected to an existing structure on the right. The existing structure features a gabled roof with a chimney, a large rectangular window, and a door. The drawing is a black and white line art representation.
