

A close-up photograph of a brick wall. The bricks are arranged in a standard running bond pattern. The colors of the bricks vary, with some being a deep reddish-brown and others a more muted, greyish-brown. The mortar joints are visible, showing a light grey or off-white color. The lighting is even, highlighting the texture of the bricks and the mortar.

A black double door with brass hardware and decorative glass panels. The door features a central brass knocker, a brass handle, and a brass mail slot. The glass panels are arranged in a grid pattern, with each panel containing a decorative, sunburst-like design. The door is set in a brick wall.

A close-up photograph of a roof surface covered in asphalt shingles. The shingles are arranged in a regular, overlapping pattern, creating a grid-like texture. The color is a muted, dusty rose or light purple. The lighting is soft and even, highlighting the subtle variations in the shingle material and the way they interlock.

A 3D architectural rendering of a two-story Tudor-style house. The house features a dark, steeply pitched gabled roof with wide eaves. The exterior walls are constructed of red brick, accented with black timber framing in a half-timbered style. The front facade includes a central entrance with a small, dark-framed porch supported by two posts. There are several large, multi-paned windows on both floors, some with black shutters. The house is surrounded by a dark, paved driveway or courtyard area. In the foreground, there are low brick walls with black metal railings, and the landscaping includes various green shrubs and clusters of yellow and purple flowers. The background is a plain, light-colored sky.

Mock Tudor Boards - Finished in
Timber painted black

Glazing to the rear to be Double glazed Anthracite Aluminium framing

Aluminium Bi folding doors from southgate to match the material and finish as specified for sash windows above
