Dear Ms Coughlan

Request for removal of tree under TPO 114

Our neighbours, Mr and Mrs Sharma, are applying for the removal of a silver birch tree, currently under the above TPO order, Tree no 3, which is located on the border of our properties within our boundary. This is to confirm that as the owners of this tree, we are happy for its removal subject to your approval.

We agree that in the event of your approval we will plant another tree in close proximity to replace it, and ask that you will notify us of any restrictions that this replacement should have, such as exact location or species.

Yours sincerely
