Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

Erection of a Schedule 2, Part 1, class A single-storey rear extension would be lawful within section 192 of the Town and Country Planning Act 1990.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☐ Yes
- ☒ No

Has the proposal been started?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

Kindly refer to Drawings & Planning Statement.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Drawing References: (ABP-CRWD63-01_Sheet Numbers – P-0 to P-8), Planning Statement, Site Plan, Location Plan, Existing Block Plan, Proposed Block Plan and Cover Letter.

Select the use class that relates to the existing or last use.

C3 - Dwellinghouses

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

☒ Permanent

☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

- 1) The property is a dwellinghouse (not a flat or maisonette), so it benefits from permitted development rights.
- 2) For a terraced or semi-detached house, the maximum depth of a single-storey rear extension allowed under permitted development is 3 metres. The proposal does not exceed this limit.
- 3) The maximum height of a single-storey rear extension under permitted development is 4 metres overall. The eaves must not exceed 3 metres if within 2 metres of a boundary. The proposed extension complies with these height restrictions.
- 4) The extension does not result in more than 50% of the curtilage (garden/land around the house) being covered by buildings.
- 5) The extension projects from the original rear wall of the property (the house as it stood in 1948 or when first built, if later).
- 6) The house is not in a conservation area, National Park, AONB, or World Heritage Site where tighter restrictions apply. It is not a listed building, so permitted development rights are not removed. No Article 4 Direction has withdrawn permitted development rights for rear extensions at this address.

Because the proposal meets all the limitations and conditions set out in Class A, Part 1, Schedule 2 of the GPDO, it constitutes permitted development. A Lawful Development Certificate should therefore be granted, confirming the extension is lawful and does not require planning permission.
