Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make

Alterations to existing rear ground and first floor windows including replacement windows throughout and amendment to roof overhang.

Please state why you wish to make this amendment

The original office toilet windows are at high level and need to be lowered to provide suitable amenity for the residents of the new flats.
The emergency exits are also no longer required.
The existing windows throughout are old white UPVC and need to be upgraded to current U-Values and to achieve required acoustic levels.
The new replacement windows shall be grey UPVC to match the approved windows and doors on the new top floor.
The proposed roof overhang is being reduced slightly at the front and rear of the building due to structural concerns over forming the overhangs to the depths shown on the approved plans.
