## 8. Non-Material Amendment(s) Sought

Please describe the non-material amendment(s) you are seeking to make:

**1. Amend the original pitch roof to a pent roof with the same maximum height approval of 3.4m**

**2. Amend the use of brick finish to cedar oak cladding**

**Please see attached elevation drawings**

Are you intending to substitute amended plans or drawings?

Yes

No

If Yes, please complete the following:

Old plan/drawing number(s):

**4548/01**

New plan/drawing number(s):

**ISAAC112#2**

Please state why you wish to make this amendment:

**It is prohibitively too expensive to build out of brick and do a pitch roof. To ensure no noise disturbance once built, professional soundproofing will be installed using a room-within-a-room method. The pent roof is the best structure to achieve this. The changes will enable to build within budget.**
