

-
- Architectural floor plan of the first floor of a house. The plan includes the following rooms and dimensions:
- GLASS RAILING**: 4750 (width)
 - TERRACE**: 3000 (width)
 - FAMILY SITTING/DINING**: 4750 (width) x 3440 (height)
 - KITCHEN**: 2570 (width) x 2970 (height)
 - UTILITY**: 2570 (width) x 2970 (height)
 - WC**: 2570 (width) x 2970 (height)
 - RECEPTION**: 2570 (width) x 2970 (height)
 - HALLWAY**: 2000 (width) x 1010 (height)
 - CENTRAL PIVOT DOOR**: 2000 (width) x 1010 (height)
 - UP**: Staircase leading up
- The plan also shows a **SECTION** line and a **GLASS RAILING** detail. The overall dimensions of the house are 1500 (width) x 4000 (height).

Architectural floor plan of a two-story building. The plan shows a central staircase connecting two levels. The upper level includes a bathroom and a staircase labeled 'UP'. The lower level features a kitchen, dining area, living area, and another bathroom. A red dashed line indicates a section cut, labeled 'SECTION AA' at the top. The roof is labeled 'FLAT ROOF'. The plan also shows various rooms, including a 'STORAGE' area and a 'BATH' area. The building has a flat roof and a central staircase.
