The diagram illustrates a site plan with various features and proposed hedge locations. At the top, three large green circles represent proposed hedge lines. A vertical line with a small square at the bottom is labeled 'Existing tree off site. Very important in street scene'. In the center, a green circle is labeled 'Low level hedge'. To the left, a green circle is labeled 'climbers'. A path is shown with a dashed line, and a 'Cycle Store' is indicated. A hedge line is shown with a hatched pattern. A small black circle is labeled 'hedge' and 'pollard'. A vertical line with a red arrow at the bottom is labeled 'Existing hedge retained'. A red line with a red arrow at the bottom is labeled 'Proposed hedge line'.

The diagram illustrates a geometric configuration involving two intersecting circles. A large circle and a smaller circle intersect at four points. Four green circles are centered at these intersection points. A vertical line passes through the centers of the large and small circles. A horizontal line passes through the intersection points of the two circles.
