

**NOTES:**

This drawing is not a working drawing, and is only for the purpose of the following:

**A- Planning Submission**  
**B- Building Regulations Submission**

The main contractor is responsible for informing the client of the location of any boundaries on, or between, this drawing and any other relevant document.

All existing walls, foundations and lintels or other structural elements are to be considered load bearing and adequate for increased loading where relevant prior to work commencing.

Any existing walls to be removed are to be confirmed by the main contractor prior to removal.

Boundaries, angles, and dimensions are to be checked by the main contractor prior to work commencing.

Written dimensions only to be used from this drawing. If in doubt consult the lead designer for clarification.
