Details of the pre-application advice received

The scheme was deemed acceptable in principle. The case officer required 45 degree sightlines to be shown on the plans to ensure there was no impact to the neighbouring properties. This has been carried out and the scheme adjusted to ensure that it does not have any impact on the neighbouring properties. As such, we believe the scheme addresses all the pre-app comments raised and therefore should be looked upon favourably.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:
(a) a member of staff
(b) an elected member
(c) related to a member of staff
(d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
