

GENERAL NOTES

Drawing to be read in conjunction with engineers and other specialist drawings.

All dimensions are structural and must be checked on site.

For structural, civil and sub-surface drainage information see engineer's drawings.

For building services see mechanical and electrical drawings.

All areas are approximate.

Drawing No.	3	11	Rev No.
4803			J

Front Wall:
Dwarf brick wall 450 high surmounted with Vista 2000 V4 high visibility railings 750 high (1200 from ground to top) including 'see-through' posts 900 high (1350 from ground to top) at approx. 2m centres
Boundary structure to be on our side of back of pavement
No brickwork or solid boundary structure above 600 from ground level.
The only boundary structure above 600 from ground to be black painted steel on the 'visirail' pattern.
