NOTES

This Block Plan shows the site plan at a scale of 1:500.

The direction of north is indicated by northpoint in the titleblock below (and is orientated to the top of the page).

The proposed development of a new main building, vehicle parking / skip storage and site office / shipping container are shown in relation to the site boundaries.

There are no other existing buildings on site, or immediately adjacent as land to the east and west are vacant.

An internal site road would provide access to the proposed development from the south, as shown.

There are no public rights of way crossing or adjoining the site
