## Grounds for Application

### Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

The existing property at 68 Attlee Road, UB4 9JE is a residential dwelling (Use Class C3) and has been in continuous lawful use as such. There are no enforcement notices or restrictions affecting the property, and all existing buildings to be altered or extended form part of the original lawful dwellinghouse. The proposal relates solely to the enlargement of the roof space of this lawful dwellinghouse.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed loft conversion at 68 Attlee Road, UB4 9JE, complies with Schedule 2, Part 1, Class B of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). The dormer volume is 28m<sup>3</sup>, which is within the 40m<sup>3</sup> allowance for a semi detached dwelling. The dormer does not exceed the height of the existing roof ridge, is set back more than 200mm from the eaves, and uses materials to match the existing house.

On the non party wall side, the existing gable wall will be raised in matching facing brickwork up to the new dormer flat roof level, providing continuity of the elevation and ensuring fire resisting construction. The property is not located in a conservation area, nor subject to an Article 4 Direction.

Therefore, the development is considered lawful under Permitted Development rights.
