

**EXTENSIONS to HIGH MEADOW CLOSE CARE HOME,
HIGH MEADOW CLOSE, PINNER
HA5 2HD**

ARBORICULTURAL IMPACT ASSESSMENT

November 2025

There will be no adverse impact on the site's existing vegetation, as the proposals comprise first-floor extensions positioned entirely within the existing building footprint. All works are contained above the current ground level, ensuring that no trees, planting, or soft landscape areas are disturbed or removed as part of the development.
