Figure 1 is a horizontal bar chart with the x-axis labeled 'M' and ranging from 0 to 50. The y-axis has categories 0, 20, 30, 40, and 50. Each category has a bar divided into black and white segments. The length of the black segment corresponds to the value of M for that category. For example, the bar for '0' has a black segment from 0 to 10, and the bar for '50' has a black segment from 0 to 50.
