5. Grounds for Application

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

I consider the existing building is lawful because:
It is not a flat
It is not in the conservation area
It is not a listed building
It is a House

There is no extension beyond the plane of the existing roof slope of the principal elevation that fronts the highway
The extension will not be higher than the highest part of the roof
