Dear Sir / Madam,

26 November 2024

Minet Infant and Junior School

Cover Letter: Temporary School – Planning Condition 8 (Contamination)

Planning App Ref. 2297/APP/2021/3875

Discharge of Planning Condition 8, *planning permission ref. 2297/APP/2021/3875, dated 16-12-21, Construction of a single-storey block of modular classrooms for a temporary period of 36 months.*

We write to confirm that no contaminated soils or any other materials were imported to the site with respect to the reinstatement of the ground following the removal of the modular temporary school.

We have not provided any supporting information as the existing subsoil and topsoil has been reused with regards to the reinstatement of the landscaping as a result of the temporary accommodation being removed.

Planning Condition 8

No contaminated soils or other materials shall be imported to the site. All imported soils for landscaping and/or ground engineering purposes shall be clean and free of contamination. All imported soils shall be tested for chemical contamination, and the results of this testing shall be submitted to the Local Planning Authority for approval.

If you require any further information please do not hesitate to contact me.

Yours Sincerely,

Jaspal Sian
Morgan Sindall Construction
Design Manager
