

NOTES:

- Sections are based on survey information. (Discrepancies will be clarified on site)
- There is a 180mm FFL difference at first floor level between the front and back of the building

Figured dimensions are in millimetres unless noted otherwise. All dimensions and levels shall be verified and checked prior to proceeding with works. Detailed site survey to be carried out at positions and levels noted on the dimensions and ordnance survey. The Architect must be notified of any discrepancy. Boundaries are indicative only and are to be verified by others.
