RE: 23671/APP/2023/3025 - Validation

please withdraw this application (confirmation received 3.11.23

:

Dear Nicola,

We did write to you on the 3rd November regarding the above application which, at your request, we confirmed we were withdrawing and we did ask whether, under the circumstances, our client could be refunded his planning fee.

We have not heard back from you and I would therefore be grateful if you could respond to my earlier email.

Many thanks,

Regards
