Notice is hereby given that Highways England Company Limited intends to make an Order on the M25 and M4 Motorways and A3113 Trunk Road in the Counties of Buckinghamshire and Surrey, the London Boroughs of Hillingdon and Hounslow and the Unitary Authority of Slough, under Section 14(1)(a) of the Road Traffic Regulation Act 1984 because works are proposed to be executed on the road.

The effect of the Order would be to authorise the phased overnight closures of:-

- the eastbound carriageway of the A3113 between M25 Junction 14 roundabout and the Stanwell Moor Road roundabout (A3044), and all slip roads leading to and from this length of carriageway;
- the slip roads leading to and from both carriageways of the M4 at Junction 3 (A312);
- the link roads connecting from both carriageways of the M25 to the eastbound carriageway of the M25 Heathrow Spur Road at Junction 14 (A3113);
- the link road connecting from the westbound carriageway of the M4 to the anti-clockwise carriageway of the M25 at Junction 4B (M25 Junction 15); and
- the entire circulatory system at M4 Junction 3 (A312).

These measures would be in the interests of road safety while contractors undertake carriageway works, electrical works, structures maintenance and repairs, highway maintenance and all associated works.

It is expected that the work would last for approximately 3 months starting on or after Wednesday 19th September 2018. This forms part of a schedule of works where the duration of works at each location is not expected to last more than 4 nights. The overnight closures would take place between (maximum period):

Monday - Thursdays	22:00 - 05:30
Fridays	23:00 - 06:00
Saturdays	22:00 - 06:00
Sundays	22:30 - 05:30

The Order would come into force on 17th September 2018 and have a maximum duration of eighteen months.

Traffic affected by closures would be diverted using the M4, M25, A4, A30, A312, A437 A3002, A4020, Southern Perimeter Road, Stanwell Moor Road and Western Perimeter Road.

The temporary closures and diversion routes would be clearly indicated by traffic signs when they are in operation during the works period.
