

NOTE:
RELEVANT RISKS
In preparing this design Hester Architects have attempted to avoid using materials and techniques which are likely to be subject to future restrictions on using, maintaining or decommissioning the building.
The following risks could not be designed out and should be carefully monitored on site during the construction period and during any future maintenance of the structure.
These notes relate solely to information shown on this drawing. They do not constitute a contract and should be viewed, or relied on, in connection with a contract or other design documents. This drawing is subject to revision on the design develops.
Particularly hazardous areas are highlighted with a symbol on the drawing and noted.
