Description of the Proposal
Please note in regard to:
• Fire Statements - From 1 August 2021, planning applications for buildings of over 18 metres (or 7 stories) tall containing more than one dwelling will require a 'Fire Statement' for the application to be considered valid. There are some exemptions. <u>View government planning</u>
guidance on fire statements or access the fire statement template and guidance.
Permission In Principle - If you are applying for Technical Details Consent on a site that has been granted Permission In Principle, please
include the relevant details in the description below.
Public Service Infrastructure - From 1 August 2021, applications for certain public service infrastructure developments will be eligible for
faster determination timeframes. See help for further details or view government planning guidance on determination periods.
Description
Please describe details of the proposed development or works including any change of use
Thease describe details of the proposed development of works including any change of use
Redevelopment of the site to create the Hillingdon Watersports Facility and Activity Centre including demolition of existing Broadwater Lake
Sailing Club (BSC) clubhouse at the north of the lake and erection of a building to be occupied by HOAC and BSC including changing
facilities, meeting rooms, storage, Workshop and seasonal worker accommodation (sui generis), activity shelters; installation of pontoons and
concrete slipways; boat shed; equipment storage huts (north of lake and at entrance); boat parking and racking areas; camping area; outdoor
activity areas; ecological enhancement throughout the site; new pedestrian routes through the peninsula; landscaping including new
woodland, dense vegetation screens and boundary treatment; new access and access road; localised dredging and land reclamation; relocation of existing sailing area and creation of floating and fixed islands within the lake; coach drop off and turning area; vehicle parking;
cycle parking; and associated works.
Has the work or change of use already started?
○ Yes
⊙ No

Trees and Hedges Are there trees or hedges on the pro	n land adjacent to the proposed de	velopment site that could	I influence the development or might be important a	S

If Yes to either or both of the above, you may need to provide a full tree survey, at the discretion of the local planning authority. If a tree survey is required, this and the accompanying plan should be submitted alongside the application. The local planning authority should make clear on its website what the survey should contain, in accordance with the current 'BS5837: Trees in relation to design, demolition and construction - Recommendations'. Assessment of Flood Risk Is the site within an area at risk of flooding? (Check the location on the Government's Flood map for planning. You should also refer to national standing advice and your local planning authority requirements for information as necessary.) ✓ Yes ○ No Is your proposal within 20 metres of a watercourse (e.g. river, stream or beck)? Yes ○ No Will the proposal increase the flood risk elsewhere? ○ Yes **⊘** No How will surface water be disposed of? ✓ Sustainable drainage system Existing water course ☐ Soakaway Main sewer □ Pond/lake **Biodiversity and Geological Conservation** Is there a reasonable likelihood of the following being affected adversely or conserved and enhanced within the application site, or on land adjacent to or near the application site? To assist in answering this question correctly, please refer to the help text which provides guidance on determining if any important biodiversity or geological conservation features may be present or nearby; and whether they are likely to be affected by the proposals. a) Protected and priority species Yes, on land adjacent to or near the proposed development ○ No b) Designated sites, important habitats or other biodiversity features Yes, on land adjacent to or near the proposed development ○ No c) Features of geological conservation importance O Yes, on land adjacent to or near the proposed development ○ No

Supporting information requirements Where a development proposal is likely to affect features of biodiversity or geological conservation interest, you will need to submit, with the application, sufficient information and assessments to allow the local planning authority to determine the proposal. Failure to submit all information required will result in your application being deemed invalid. It will not be considered valid until all information required by the local planning authority has been submitted. Your local planning authority will be able to advise on the content of any assessments that may be required. **Open and Protected Space** Please note: This question is specific to applications within Greater London. The Mayor can request relevant information about spatial planning in Greater London under Section 346 of the Greater London Authority Act 1999. View more information on the collection of this additional data and assistance with providing an accurate response. Open Space Will the proposed development result in the loss, gain or change of use of any open space? Yes ○ No Please provide details for each area of open space that is being lost, gained or having its use changed Loss/Gain/Change of use: Loss **Open Space Designation:** Green Belt **Open Space Type:** Natural and Semi-natural Area: 4274.00 Unit: Square metres **Description:** To provide an outdoor activity centre and water based sailing area. Details of the pre-application advice received
Please refer to the planning statement (section 3).
Authority Employee/Member With respect to the Authority, is the applicant and/or agent one of the following: (a) a member of staff (b) an elected member (c) related to a member of staff (d) related to an elected member
It is an important principle of decision-making that the process is open and transparent.
For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
Do any of the above statements apply?
✓ Yes○ No
If yes, please provide details of their name, role, and how they are related:
***** REDACTED *****
Ownership Certificates and Agricultural Land Declaration Certificates under Article 14 - Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended)
Please answer the following questions to determine which Certificate of Ownership you need to complete: A, B, C or D.
