Hall 9 m²

DN

AA PL005

A 3D architectural rendering of a two-story residential building. The house has a dark grey, gabled roof with a skylight on the right side. The exterior walls are a light cream color. On the left side, there is a large front porch with a grey tiled floor and a glass door leading inside. A wooden fence with vertical slats surrounds the property. To the right of the house, there is a paved driveway. The overall style is modern and clean.
