1. CONSIDERATIONS

1.1 Site and Locality

The application property comprises a two storey mid-terraced property located on the northern side of Manor Lane in Harlington. The property has a modest flat roofed single storey rear extension which is proposed to be replaced by the proposed extension. The adjoining property at Number 43 has a similar 4m deep extension (approved under prior approval application 23709/APP/2015/3584). Adjoining Number 39 has not been extended to the rear. The garden is flat and enclosed by 1.8m high fencing. The Harlington Conservation Area extends up to the edge of the site, although no works proposed would fall within the Conservation Area itself.

1.2 Proposed Scheme

The application seeks planning permission for the erection of a single storey rear extension with new pitched roof. The extension would project 4m across the entire width of the property to enlarge the living accommodation.

1.3 Relevant Planning History

Comment on Planning History

There is no relevant planning history.

2. Advertisement and Site Notice

2.1 Advertisement Expiry Date: Not applicable

2.2 Site Notice Expiry Date: Not applicable

3. Comments on Public Consultations

The Harlington Village Residents Association and 4 neighbouring properties were consulted by letter dated 3.4.25. The consultation period expired on 26.4.25. No members of the public commented in relation to the proposed development.

Harlington Conservation Area Advisory Panel - No objection

4. Local Plan Designation and London Plan

The following Local Plan Policies are considered relevant to the application:-

Part 1 Policies:

PT1.BE1 (2012) Built Environment

Part 2 Policies:

DMHB 11 Design of New Development

DMHB 18 Private Outdoor Amenity Space

DMHD 1 Alterations and Extensions to Residential Dwellings

DMT 2 Highways Impacts

DMT 6 Vehicle Parking

LPP D4 (2021) Delivering good design

LPP D3 (2021) Optimising site capacity through the design-led approach

LPP D6 (2021) Housing quality and standards

5. MAIN PLANNING ISSUES

The main considerations are the proposal's design and impact on the character of the existing property, the impact on the streetscene and locality, the impact upon the amenities of neighbouring properties, the reduction in the size of the rear garden, highways impact, and car parking provision.

Character and Appearance:

Policies D3 and D4 of the London Plan (2021) require development proposals to be high quality and enhance the local context, delivering buildings and spaces that positively respond to local distinctiveness.

Policy BE1 of the Hillingdon Local Plan: Part One - Strategic Policies (2012) seeks a quality of design in all new development that enhances and contributes to the area in terms of form, scale and materials; is appropriate to the identity and context of the townscape; and would improve the quality of the public realm and respect local character.

Policy DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) advises that all development will be required to be designed to the highest standards and incorporate principles of good design. It should take into account aspects including the scale of the development considering the height, mass and bulk of adjacent structures; building plot sizes and established street patterns; building lines and streetscape rhythm and landscaping.

Policy DMHD 1 requires that alterations and extension of dwellings would not have an adverse cumulative impact on the character and appearance of the streetscene, and should appear subordinate to the main dwelling.

With regard to rear extensions, Policy DMHD 1 requires:

- i) single storey rear extensions on terraced or semi-detached houses with a plot width of 5 metres or less should not exceed 3.3 metres in depth or 3.6 metres where the plot width is 5 metres or more;
- ii) single storey rear extensions to detached houses with a plot width of 5 metres or more should not exceed 4.0 metres in depth;
- iii) flat roofed single storey extensions should not exceed 3.0 metres in height and any pitched or sloping roofs should not exceed 3.4 metres in height, measured from ground level;

The proposed extension, at a projection of 4m, exceeds the maximum depth required under Policy DMHD1. However, the extension would appear subordinate to the host dwelling and similar in scale to that approved at the adjoining property. Officers consider that the proposed extension would be of high quality, appear subordinate, and respects the character and appearance of the dwelling and local area.

The proposal complies with the overarching aims of Policies D3 and D4 of the London Plan (2021), Policy BE1 of the Hillingdon Local Plan: Part One - Strategic Policies (2012), and Policies DMHD1 and DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020).

Neighbouring Amenity:

Policy D3 of The London Plan (2021) states that developments should deliver appropriate outlook, privacy, and amenity. Policy D6 states the site layout, orientation, and design of dwellings should provide privacy and adequate daylight for residents.

Policy DMHD 1 of Hillingdon Council's Local Plan: Part Two - Development Management Policies (2020) states that planning applications relating to dwelling alterations and extensions will be required to ensure that a satisfactory relationship with adjacent dwellings is achieved and there is no unacceptable loss of outlook to neighbouring occupiers. Policy DMHB 11 seeks to ensure that development proposals do not adversely impact the amenity, daylight, and sunlight of adjacent properties and open space.

The proposed extension will not have any significant impact on the occupants of adjoining number 43 Manor Lane given that it would not project beyond the rear extension at this property. Number 39 Manor Lane is not extended to the rear and at a depth of 4m, alongside the boundary, there would be some loss of light and outlook to the rear facing patio doors at this property. Officers

acknowledge that there has been no objection received from the occupants of this property. The applicant would have the fall-back position of the prior approval process for the same extension and an extension of up to 3 metres in length could be constructed under permitted development rights. Officers therefore consider that a refusal of planning permission based on loss of light and outlook to the occupants of Number 39 Harlington Lane would not be justified.

All the proposed habitable rooms, and those altered by the extension, would maintain an adequate outlook and source of natural light.

The proposal would accord with the objectives of Policies D3 and D6 of The London Plan (2021) and Policies DMHD 1 and DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (2020) in this respect.

Outdoor Amenity Space:

Policy D6 of The London Plan (2021) requires a minimum of five sq. m. of private outdoor space for one- to two-person dwellings and an extra one sq. m. for each additional occupant.

Policy DMHD 1 of Hillingdon Council's Local Plan: Part Two - Development Management Policies (2020) states that planning applications relating to alterations and extensions of dwellings will be required to ensure that, vi) adequate garden space is retained, while Policy DMHB 18 states that developers should provide amenity space in accordance with Table 5.3 of the local plan. Table 5.3 requires developments to provide between 40 and 100 sq. m. of private outdoor amenity space, dependent on the number of bedrooms within the property. It should be well-located, well-designed, and usable for the private enjoyment of the occupier.

Following the redevelopment, the rear garden would retain 45 sq. m. of private amenity space which is similar to that provided at adjoining number 43 Manor Lane.

The proposed development would comply with Policy D6 of The London Plan (2021) and Policies DMHD 1, DMHB 18, and Table 5.3 of Hillingdon Council's Local Plan: Part 2 - Development Management Policies (2020).

Highways and Parking:

The highway and parking provision would remain unaffected by the proposal.

Conclusion

The application is recommended for approval.

6. RECOMMENDATION

APPROVAL subject to the following:

1. HO1 Time Limit

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON

To comply with Section 91 of the Town and Country Planning Act 1990.

2. HO2 Accordance with approved

The development hereby permitted shall not be carried out except in complete accordance with the details shown on the submitted plans, numbers 25_100_P0A; 25_100_S00A; 23_100_P1 and 23_100_P2.

REASON

To ensure the development complies with the provisions of the Hillingdon Local Plan Part 1 (2012) and Part 2 (2020), and the London Plan (2021).

3. HO4 Materials

The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used in the existing building and shall thereafter be retained as such.

REASON

To safeguard the visual amenities of the area and to ensure that the proposed development does not have an adverse effect upon the appearance of the existing building in accordance with Policy DMHB 11 of the Hillingdon Local Plan Part 2 (2020)

4. HO5 No additional windows or doors

Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification), no additional windows, doors or other openings shall be constructed in the walls or roof slopes of the development hereby approved facing Number 39 Harlington Lane.

REASON

To prevent overlooking to adjoining properties in accordance with policy DMHB 11 of the Hillingdon Local Plan Part 2 (2020).

INFORMATIVES

1. Nuisance from demolition and construction works is subject to control under The Control of Pollution Act 1974, the Clean Air Acts and other related legislation. In particular, you should ensure that the following are complied with:-

A. Demolition and construction works which are audible at the site boundary shall only be carried out between the hours of 08.00 and 18.00 hours Monday to Friday and between the hours of 08.00 hours and 13.00 hours on Saturday. No works shall be carried out on Sundays, Bank or Public Holidays.

B. All noise generated during such works shall be controlled in compliance with British Standard Code of Practice BS 5228:2009.

C. Dust emissions shall be controlled in compliance with the Mayor of London's Best Practice Guidance 'The Control of dust and emissions from construction and demolition.

D. No bonfires that create dark smoke or nuisance to local residents.

You are advised to consult the Council's Environmental Protection Unit (www.hillingdon.gov.uk/noise Tel. 01895 250155) or to seek prior approval under Section 61 of the Control of Pollution Act if you anticipate any difficulty in carrying out construction other than within the normal working hours set out in (A) above, and by means that would minimise disturbance to adjoining premises.

2. On 1 July 1997, a new act, The Party Wall etc. Act 1996, came into force.

This Act requires a building owner to notify, and obtain formal agreement from, any adjoining owner, where the building owner proposes to:-

- 1) carry out work to an existing party wall;
- 2) build on the boundary with a neighbouring property;
- 3) in some circumstances, carry out groundworks within 6 metres of an adjoining building.

Notification and agreements under this Act are the responsibility of the building owner and are quite separate from Building Regulations or planning controls. Building Control will assume that an applicant has obtained any necessary agreements with the adjoining owner, and nothing said or implied by Building Control should be taken as removing the necessity for the building owner to comply fully with the Act.

3. The Council will recover from the applicant the cost of highway and footway repairs, including damage to grass verges.

Care should be taken during the building works hereby approved to ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made good to the satisfaction of the Council and at the applicant's expense.

For further information and advice contact - Highways Maintenance Operations, Central Depot - Block K, Harlington Road Depot, 128 Harlington Road, Hillingdon, Middlesex, UB3 3EU (Tel: 01895 277524).

For Private Roads: Care should be taken during the building works hereby approved to ensure no damage occurs to the verge of footpaths on private roads during construction. Vehicles delivering materials to this development shall not override or cause damage to a private road and where possible alternative routes should be taken to avoid private roads. The applicant may be required to make good any damage caused.

Standard Informatives

1. The decision to GRANT planning permission has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).
2. The decision to GRANT planning permission has been taken having regard to the policies and proposals in the Hillingdon Local Plan Part 1 (2012) and Part 2 (2020) set out below,

including Supplementary Planning Guidance, and to all relevant material considerations, including The London Plan - The Spatial Development Strategy for London consolidated with alterations since 2011 (2016) and national guidance.

3. You are advised this permission is based on the dimensions provided on the approved drawings as numbered above. The development hereby approved must be constructed precisely in accordance with the approved drawings. Any deviation from these drawings requires the written consent of the Local Planning Authority.
4. You are advised that if any part of the development hereby permitted encroaches by either its roof, walls, eaves, gutters, or foundations, then a new planning application will have to be submitted. The validity of this planning permission may be challengeable by third parties if the development results in any form of encroachment onto land outside the applicant's control that is considered to cause harm to local amenity.
5. Your attention is drawn to the need to comply with the relevant provisions of the Building Regulations, the Building Acts and other related legislation. These cover such works as - the demolition of existing buildings, the erection of a new building or structure, the extension or alteration to a building, change of use of buildings, installation of services, underpinning works, and fire safety/means of escape works. Notice of intention to demolish existing buildings must be given to the Council's Building Control Service at least 6 weeks before work starts. A completed application form together with detailed plans must be submitted for approval before any building work is commenced. For further information and advice, contact - Building Control, 3N/01 Civic Centre, Uxbridge (Telephone 01895 558170).
6. You have been granted planning permission to build a residential extension. When undertaking demolition and/or building work, please be considerate to your neighbours and do not undertake work in the early morning or late at night or at any time on Sundays or Bank Holidays. Furthermore, please ensure that all vehicles associated with the construction of the development hereby approved are properly washed and cleaned to prevent the passage of mud and dirt onto the adjoining highway. You are advised that the Council does have formal powers to control noise and nuisance under The Control of Pollution Act 1974, the Clean Air Acts and other relevant legislation. For further information and advice, please contact - Environmental Protection Unit, 4W/04, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel.

01895 250190).

7. The Party Wall Act 1996 requires a building owner to notify, and obtain formal agreement from, any adjoining owner, where the building owner proposes to:
 - carry out work to an existing party wall;
 - build on the boundary with a neighbouring property;
 - in some circumstances, carry out groundworks within 6 metres of an adjoining building.Notification and agreements under this Act are the responsibility of the building owner and are quite separate from Building Regulations, or Planning Controls. The Building Control Service will assume that an applicant has obtained any necessary agreements with the adjoining owner, and nothing said or implied by the Council should be taken as removing the necessity for the building owner to comply fully with the Party Wall Act. Further information and advice is to be found in "the Party Walls etc. Act 1996 - explanatory booklet" published by the ODPM.
8. Your attention is drawn to the fact that the planning permission does not override property rights and any ancient rights of light that may exist. This permission does not empower you to enter onto land not in your ownership without the specific consent of the owner. If you require further information or advice, you should consult a solicitor.
9. Nuisance from demolition and construction works is subject to control under The Control of Pollution Act 1974, the Clean Air Acts and other related legislation. In particular, you should ensure that the following are complied with: -
 - A) Demolition and construction works should only be carried out between the hours of 08.00 hours and 18.00 hours Monday to Friday and between the hours of 08.00 hours and 13.00 hours on Saturday. No works shall be carried out on Sundays Bank and Public Holidays.
 - B) All noise generated during such works should be controlled in compliance with British Standard Code of Practice BS 5228: 1984.
 - C) The elimination of the release of dust or odours that could create a public health nuisance.
 - D) No bonfires that create dark smoke or nuisance to local residents.You are advised to consult the Council's Environmental Protection Unit, 3S/02, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel.01895 277401) or to seek prior approval under Section 61 of the Control of Pollution Act if you anticipate any difficulty in carrying out construction other than within the normal working hours set out in (A) above, and by means that would minimise disturbance to adjoining premises.
10. You are advised that care should be taken during the building works hereby approved to avoid spillage of mud, soil or related building materials onto the pavement or public highway. You are further advised that failure to take appropriate steps to avoid spillage or adequately clear it away could result in action being taken under the Highways Act.
11. To promote the development of sustainable building design and construction methods, you are encouraged to investigate the use of renewable energy resources which do not produce any extra carbon dioxide (CO₂) emissions, including solar, geothermal and fuel cell systems, and use of high quality insulation.
12. You are advised that care should be taken during the building works hereby approved to

ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made good to the satisfaction of the Council and at the applicant's expense.
