Product Description

This is a triple glazed white painted CABRIO balcony system with laminated glazing and has a u/value of 1.2. Please note this is the New generation CABRIO balcony system.
If you require a Pine CABRIO balcony system, please call our sales team.

The VELUX CABRIO balcony turns a roof window into an instant balcony in seconds. A great way to add value and a real wow factor to a property

The upper section is top hung and opens outwards whilst the bottom section unfolds into a glazed balcony with side railings

Can be easily combined with top hung and fixed sloped windows to increase the daylight and view

All glazing in the balcony system has toughened outer and laminated inner panes for additional safety

All upper top hung roof windows rotate 180° and locks in place for easy cleaning of the outer pane

VELUX New Generation Features

More daylight: Up to 18% larger pane area
Slim profile: Slim profiles and larger pane means more glass and less frame
Thermo technology: Innovative use of high performance insulation material
More comfort: A more modern and attractive design with excellent ventilation and operation control
Control bar: New design of the control bar with functionality icons
Exterior design: Improved exterior finish with a softer and more discrete expression
Click-on covers: Fewer screws with the new click-on covers
Top cover: Slimmer top cover
