This drawing and the works depicted within are the copyright of Plan My Property and may not be reproduced or amended without the written permission of Plan My Property. Any unauthorised copying or use of this drawing may be a criminal offence.

Before commencement of the works the contractor must check and verify all buildings and structures, services, boundaries, water and sewer outfalls, invert levels and connecting services.

This drawing must be read in conjunction with the Building Regulations, Building Safety and detail, layout and engineering drawings.

The contractor must satisfy himself with the adequacy of the foundations and the need to ensure that adequate foundations are provided for any part of the works.

This drawing should not be relied upon to give information on ground conditions and the Contractor is to carry out the work in accordance with the Building Regulations, Approved Current British Standards.
