Details of the pre-application advice received

Significant amendments made to address the pre-application comments raised. The increase in ridge height has been removed and the existing roof is now to be retained. The side extensions are to be less than 50% of the original dwelling. We have removed part of the existing side elevation and reallocated to the other side. This makes the house look far more balanced and is an improvement to the existing.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

- (a) a member of staff
- (b) an elected member
- (c) related to a member of staff
- (d) related to an elected member

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
