Item No. Report of the Interim Director of Planning, Regeneration & Public Realm

Address 22 SHOREDICHE CLOSE ICKENHAM

Development: Erection of a single storey rear extension

LBH Ref Nos: 26903/APP/2022/2659

Drawing Nos: L.03 Location Plan
L.02 Block Plan
L.01 Proposed and Existing Plans

Date Plans Received: 23/08/2022 **Date(s) of Amendment(s):**

Date Application Valid: 06/09/2022

1. CONSIDERATIONS

1.1 Site and Locality

The application site comprises a terraced dwelling located on the north-western side of Shorediche Close. The property is attached to 21 Shorediche Close along the south-western site boundary. The property is attached to 23 Shorediche Close along the north-eastern site boundary. To the north, the rear of the site backs onto Swakeleys Road, beyond which is located 212 Swakeleys Road. 10 Shorediche Close is located to the south, on the opposite side of the road.

1.2 Proposed Scheme

Planning permission is sought for the erection of a single storey rear extension. The proposed extension would be 4.5m deep along the site boundary with 21 Shorediche Close, extending 1.37m beyond the rear building line of 21 Shorediche Close. The proposed extension would extend 2m from the existing rear building line, extending 2.2m beyond the rear building line of 23 Shorediche Close. The proposed extension would have a 2.83m high flat roof with a roof lantern. The proposed materials would match the existing materials. The proposed extension would provide an extended kitchen.

1.3 Relevant Planning History

26903/C/79/2177 22 Shorediche Close Ickenham

Single storey rear extension, porch and alterations. Also relaxation.

2.1 Advertisement Expiry Date:- Not applicable

2.2 Site Notice Expiry Date:- Not applicable

3. Comments on Public Consultations

Consultation letters were sent to 5 local owners/occupiers. Two responses were received:

i) Please provide me with the name of the company who provided you with the plans and all necessary measurements to be in the imperial system.

OFFICER RESPONSE:

The plans are to scale and are in metres/millimetres (metric), which is the standard unit of measurements/scale for planning applications. For reference the 2201mm annotated on the drawing would be approximately 86.65inches and the 1373 mm would be approximately 54 inches. The proposed roof height of 2.83m would be approximately 9.3 feet high.

ii) the height and length of this proposed extension will impact on the light entering the ground floor rear bedroom. Therefore, we propose the proposed extension exterior wall facing the garden of no 23 be painted white to help reflect lost light back into the ground floor bedroom.

OFFICER RESPONSE:

The impact of the depth and height of the proposed extension on residential amenity has been addressed in Section 5 of this report. The proposed materials of the extension must match the existing materials which is red brick.

iii) Can you confirm that the remaining fence from the new extension to the end of the garden will also be renewed during the works.

OFFICER RESPONSE:

Replacement boundary treatment does not form part of this planning application. The replacement of fencing/boundary treatment can be dealt with through Permitted Development Rights.

Ickenham Residents Association:
No response received.

4. Local Plan Designation and London Plan

The following Local Plan Policies are considered relevant to the application:-

Part 1 Policies:

PT1.BE1 (2012) Built Environment

Part 2 Policies:

DMHB 11 Design of New Development

DMHB 12 Streets and Public Realm

DMHB 18 Private Outdoor Amenity Space

DMHD 1 Alterations and Extensions to Residential Dwellings

DMT 6 Vehicle Parking

LPP D6 (2021) Housing quality and standards

5. MAIN PLANNING ISSUES

The main planning issues are the design and impact on the character of the existing property, the impact upon the street scene and surrounding area, the impact upon the amenities of adjoining occupiers, the reduction in size of the rear garden and car parking provision.

Policy BE1 of the Hillingdon Local Plan: Part One - Strategic Policies (November 2012) requires that new developments achieve a high quality of design in all new buildings, alterations, extensions and the public realm which enhances the local distinctiveness of the area, contributes to community cohesion and a sense of place.

Policy DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020) requires all development to be designed to the highest standards and incorporate principles of good design, either complementing or improving the character and appearance of the area. Policy DMHB 12 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020) seeks to protect and improve the public realm, including streets.

Policy DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020) requires that alterations and extension of dwellings would not have an adverse cumulative impact on the character and appearance of the street scene, and should appear subordinate to the main dwelling. It also required that there is no unacceptable loss of outlook to neighbouring occupiers.

Part B of Policy DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020) sets out specific requirements for rear extensions. Single storey rear extensions on semi-detached or terraced houses with a plot width of 5m or more should not exceed 3.6m in depth. Single-storey extensions with flat roofs should not exceed 3m in height.

Character and Appearance

The proposed extension would be 4.5m deep along the site boundary with 21 Shorediche Close, extending 1.37m beyond the rear building line of 21 Shorediche Close. The proposed extension would extend 2m from the existing rear building line, extending 2.2m beyond the rear building line of 23 Shorediche Close. The proposed extension would have a 2.83m high flat roof with a roof lantern. The proposed materials would match the existing materials.

The 2.83m high flat roof of the proposed extension would not exceed the recommended 3m height standard set out in Part B of Policy DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020), and so is acceptable in this regard. Whilst the depth of the extension from the original rear building line of the application property would exceed the recommended depth standard set out in Part B of Policy DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020), given the staggered rear building lines along Shorediche Close and the neighbouring extension at 21 Shorediche Close, it is considered that due to the minimal projections beyond the rear building lines of the adjoining properties and the modest roof height, the proposed extension would be a subordinate addition to the property. The proposed extension would therefore not cause harm to the character and appearance of the application property or the surrounding area.

The proposal therefore complies with Policy BE1 of the Hillingdon Local Plan: Part One - Strategic Policies (November 2012) and Policies DMHB 11, DMHB 12 and DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020).

Residential Amenity

The proposed extension would extend 1.37m beyond the rear building line of 21 Shorediche Close. Given the modest projection beyond the neighbouring rear building

line, the modest roof height and that no side windows are proposed, it is considered that the proposed development would not cause any adverse impact on the residential amenity of 21 Shorediche Close in respect to loss of light, outlook, privacy or appearing overbearing.

The proposed extension would extend 2.2m beyond the rear building line of 23 Shorediche Close. Whilst concerns over potential loss of light are noted, given the staggered rear building lines along Shorediche Close, the modest projection beyond the neighbouring rear building line, the modest roof height, the orientation of the rear elevation facing onto Swakeleys Road with a significant separation distance between properties on Shorediche Close and Swakeleys Road, and that no side windows are proposed, it is considered that the proposed development would not cause any adverse impact on the residential amenity of 23 Shorediche Close in respect to loss of light, outlook, privacy or appearing overbearing.

Therefore, it is considered that the proposed development would not cause harm to the residential amenity of neighbouring properties, thereby complying with Policy BE1 of the Hillingdon Local Plan: Part One - Strategic Policies (November 2012) and Policies DMHB 11 and DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020).

Other Matters

It is considered that all the proposed habitable rooms would maintain an adequate outlook and source of natural light, therefore complying with Policy D6 of the London Plan (March 2021).

Policy DMHB 18 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020) requires developments to provide good quality and useable private outdoor amenity space in accordance with the Council's standards (as per Table 5.2), whilst Policy DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020) seeks to ensure that proposals to extend dwellings retain adequate garden space.

The application site has a rear garden of 76sq.m. The proposed rear extension would not result in a significant loss of rear garden and so would comply with Policies DMHB 18 and DMHD 1 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020).

Policy DMT 6 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020) seeks to ensure that developments provide acceptable levels of car parking in line with the Council's Parking Standards (Appendix C Table 1).

The application site has a driveway and a parking area for one vehicle at the front of the property. The proposed rear extension would not impact on the existing parking provision and so the proposal would comply with Policy DMT 6 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020).

The application is recommended for approval.

6. **RECOMMENDATION**

APPROVAL subject to the following:

1 HO1 Time Limit

The development hereby permitted shall be begun before the expiration of three years from the date of this permission.

REASON

To comply with Section 91 of the Town and Country Planning Act 1990.

2 HO2 Accordance with approved

The development hereby permitted shall not be carried out except in complete accordance with the details shown on Drawing Nos:

L.01 Proposed and Existing Plans

L.02 Block Plan

L.03 Location Plan

REASON

To ensure the development complies with the provisions of the Hillingdon Local Plan: Part One - Strategic Policies (November 2012) and the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020), and the London Plan (March 2021).

3 HO4 Materials

The materials to be used in the construction of the external surfaces of the development hereby permitted shall match those used in the existing building and shall thereafter be retained as such.

REASON

To safeguard the visual amenities of the surrounding area and to ensure that the proposed development does not have an adverse effect upon the appearance of the existing building in accordance with Policy DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020).

4 HO5 No additional windows or doors

Notwithstanding the provisions of the Town and Country Planning (General Permitted Development) Order 2015 (as amended) (or any order revoking and re-enacting that Order with or without modification), no additional windows, doors or other openings shall be constructed in the walls of the development hereby approved.

REASON

To prevent overlooking to adjoining properties in accordance with Policy DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020).

5 HO7 No roof gardens

Access to the flat roof over the extension hereby approved shall be for maintenance or emergency purposes only and the flat roof shall not be used as a roof garden, terrace, balcony, patio or similar amenity area.

REASON

To prevent overlooking to adjoining properties in accordance with Policy DMHB 11 of the Hillingdon Local Plan: Part Two - Development Management Policies (January 2020).

INFORMATIVES

- 1 On this decision notice policies from the Councils Local Plan: Part 1 - Strategic Policies appear first, then relevant Local Plan Part 2 (2020), then London Plan Policies (2016). Hillingdon's Full Council adopted the Hillingdon Local Plan: Part 1 - Strategic Policies on 8 November 2012 and the Hillingdon Local Plan Part 2 on 16 January 2020.

- 2 You are advised that if any part of the development hereby permitted encroaches by either its roof, walls, eaves, gutters, or foundations, then a new planning application may have to be submitted. The validity of this planning permission may be challengeable by third parties if the development results in any form of encroachment onto land outside the applicant's control for which the appropriate Notice under Article 13 of the Town and Country Planning (Development Management Procedure) (England) Order 2015 has not been served.

Standard Informatives

- 1 The decision to GRANT planning permission has been taken having regard to all relevant planning legislation, regulations, guidance, circulars and Council policies, including The Human Rights Act (1998) (HRA 1998) which makes it unlawful for the Council to act incompatibly with Convention rights, specifically Article 6 (right to a fair hearing); Article 8 (right to respect for private and family life); Article 1 of the First Protocol (protection of property) and Article 14 (prohibition of discrimination).
- 2 The decision to GRANT planning permission has been taken having regard to the policies and proposals in the Hillingdon Unitary Development Plan Saved Policies (September 2007) as incorporated into the Hillingdon Local Plan (2012) set out below, including Supplementary Planning Guidance, and to all relevant material considerations, including The London Plan - The spatial development strategy for London consolidated with alterations since 2011 (2016) and national guidance.

Part 1 Policies:

PT1.BE1 (2012) Built Environment

Part 2 Policies:

DMHB 11 Design of New Development
DMHB 12 Streets and Public Realm
DMHB 18 Private Outdoor Amenity Space
DMHD 1 Alterations and Extensions to Residential Dwellings
DMT 6 Vehicle Parking
LPP D6 (2021) Housing quality and standards

- 3 You are advised this permission is based on the dimensions provided on the approved drawings as numbered above. The development hereby approved must be constructed precisely in accordance with the approved drawings. Any deviation from these drawings requires the written consent of the Local Planning Authority.
- 4 You are advised that if any part of the development hereby permitted encroaches by either its roof, walls, eaves, gutters, or foundations, then a new planning application may have to be submitted. The validity of this planning permission may be challengeable by third parties if the development results in any form of encroachment onto land outside the applicant's control that is considered to cause harm to local amenity.

- 5 Your attention is drawn to the need to comply with the relevant provisions of the Building Regulations, the Building Acts and other related legislation. These cover such works as - the demolition of existing buildings, the erection of a new building or structure, the extension or alteration to a building, change of use of buildings, installation of services, underpinning works, and fire safety/means of escape works. Notice of intention to demolish existing buildings must be given to the Council's Building Control Service at least 6 weeks before work starts. A completed application form together with detailed plans must be submitted for approval before any building work is commenced. For further information and advice, contact - Residents Services, Building Control 3N/01 Civic Centre, Uxbridge (Telephone 01895 558170).
- 6 You have been granted planning permission to build a residential extension. When undertaking demolition and/or building work, please be considerate to your neighbours and do not undertake work in the early morning or late at night or at any time on Sundays or Bank Holidays. Furthermore, please ensure that all vehicles associated with the construction of the development hereby approved are properly washed and cleaned to prevent the passage of mud and dirt onto the adjoining highway. You are advised that the Council does have formal powers to control noise and nuisance under The Control of Pollution Act 1974, the Clean Air Acts and other relevant legislation. For further information and advice, please contact - Environmental Protection Unit, 4W/04, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel. 01895 250190).
- 7 The Party Wall Act 1996 requires a building owner to notify, and obtain formal agreement from, any adjoining owner, where the building owner proposes to:
- carry out work to an existing party wall;
 - build on the boundary with a neighbouring property;
 - in some circumstances, carry out groundworks within 6 metres of an adjoining building.
- Notification and agreements under this Act are the responsibility of the building owner and are quite separate from Building Regulations, or Planning Controls. The Building Control Service will assume that an applicant has obtained any necessary agreements with the adjoining owner, and nothing said or implied by the Council should be taken as removing the necessity for the building owner to comply fully with the Party Wall Act. Further information and advice is to be found in "the Party Walls etc. Act 1996 - explanatory booklet" published by the ODPM, available free of charge from the Planning Services Reception Desk, Civic Centre, Uxbridge, UB8 1UW.
- 8 Your attention is drawn to the fact that the planning permission does not override property rights and any ancient rights of light that may exist. This permission does not empower you to enter onto land not in your ownership without the specific consent of the owner. If you require further information or advice, you should consult a solicitor.
- 9 Nuisance from demolition and construction works is subject to control under The Control of Pollution Act 1974, the Clean Air Acts and other related legislation. In particular, you should ensure that the following are complied with: -
- A) Demolition and construction works should only be carried out between the hours of 08.00 hours and 18.00 hours Monday to Friday and between the hours

of

08.00 hours and 13.00 hours on Saturday. No works shall be carried out on Sundays, Bank and Public Holidays.

B) All noise generated during such works should be controlled in compliance with British Standard Code of Practice BS 5228: 1984.

C) The elimination of the release of dust or odours that could create a public health nuisance.

D) No bonfires that create dark smoke or nuisance to local residents.

You are advised to consult the Council's Environmental Protection Unit, 3S/02, Civic Centre, High Street, Uxbridge, UB8 1UW (Tel.01895 277401) or to seek

prior

approval under Section 61 of the Control of Pollution Act if you anticipate any difficulty in carrying out construction other than within the normal working hours set out in (A) above, and by means that would minimise disturbance to adjoining premises.

10 You are advised that care should be taken during the building works hereby approved to avoid spillage of mud, soil or related building materials onto the pavement or public highway. You are further advised that failure to take appropriate steps to avoid spillage or adequately clear it away could result in action being taken under the Highways Act.

11 To promote the development of sustainable building design and construction methods, you are encouraged to investigate the use of renewable energy resources which do not produce any extra carbon dioxide (CO₂) emissions, including solar, geothermal and fuel cell systems, and use of high quality insulation.

12 You are advised that care should be taken during the building works hereby approved to ensure no damage occurs to the verge or footpaths during construction. Vehicles delivering materials to this development shall not override or cause damage to the public footway. Any damage will require to be made

good

to the satisfaction of the Council and at the applicant's expense. For further information and advice contact - Highways Maintenance Operations, Central Depot - Block K, Harlington Road Depot, 128 Harlington Road, Hillingdon, Middlesex, UB3 3EU (Tel: 01895 277524).
