### 5. Pedestrian and Vehicle Access, Roads and Rights of Way

Is a new or altered pedestrian access proposed to or from the public highway? ☒ Yes ☐ No

Do the proposals require any diversions, extinguishments and/or creation of public rights of way? ☐ Yes ☒ No

If Yes to any questions, please show details on your plans or drawings and state the reference number(s) of the plan(s)/drawing(s):

The kerb is intended to be dropped to the same level as the road to allow vehicular access to the drive of 89 Park Road. This will affect the public footpath but will not cause any changes to the existing level of pedestrian access. If authorised, the work will be carried out by the London Borough of Hillingdon, who it is expected will use the same materials that the public footpath is currently built with.

### 7. Trees and Hedges

Are there any trees or hedges on your own property or on adjoining properties which are within falling distance of your proposed development? ☐ Yes ☒ No

If Yes, please mark their position on a scaled plan and state the reference number of any plans or drawings:

Will any trees or hedges need to be removed or pruned in order to carry out your proposal? ☐ Yes ☐ No

If Yes, please show on your plans which trees by giving them numbers e.g. T1, T2 etc, state the reference number of the plan(s)/drawing(s) and indicate the scale.

## 8. Parking

Will the proposed works affect existing car parking arrangements? ☒ Yes ☐ No

If Yes, please describe:

Dropping the kerb will allow access to a dedicated parking space on the drive of 89 Park Road for myself as the homeowner, allowing also to charge my electric car. However, it is not believed that this will result in the loss of a potential parking space on the road. This is because the current length of the kerb is less than 5 meters and would not support a car being parked there without interfering with the dropped kerb of the houses either side of the property.

## 9. Authority Employee / Member

It is an important principle of decision-making that the process is open and transparent. For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the local planning authority.

- (a) a member of staff
- (b) an elected member
