Nimisha,

Thank you for your e-mail and attachments.

I can't see any adverse neighbour impacts arising from the proposal (bulk, mass, overdominance, loss of sunlight, and daylight etc) and whilst exceeding residential design guide standards of 3.6m the site characteristics are positive towards an extension of such a depth (4.3m) as the surrounding area is a mass of varied extensions (styles/depths/materials):-

Please note that the comments made in this email represent officer opinion and cannot be seen to prejudice the Local Planning Authority's formal determination in relation to any application or planning matter.
