## Condition(s) - Variation/Removal

Please state why you wish the condition(s) to be removed or changed

The existing approved layout makes drainage very disruptive. The existing drainage is currently to the rear of the property and the current approval has all drainage to the front. This will incur major drainage works either in front of the shop , or within the approved 1st floor and existing ground floor layouts.

This will incur major works and possible disruption to the highway. The new proposed layout is much simpler to relocate the items necessary for drainage to the rear as per the revised layout.

If you wish the existing condition to be changed, please state how you wish the condition to be varied

The development hereby permitted shall not be carried out except in complete accordance with the details shown on the submitted plans, numbers 3341-02a, 3341-03 17LL 000 Rev. A, 17LL 100 Rev. F, 17LL 200 Rev. D, 17LL 300 Rev. B and shall thereafter be retained/maintained for as long as the development remains in existence.
