Biodiversity net gain

Householder developments are currently exempt from biodiversity net gain requirements.

However, this exemption still needs to be confirmed by the applicant or agent when making a householder planning permission application.

Paragraph 13 of Schedule 7A of the Town and Country Planning Act 1990 (as amended) sets out that every planning permission granted for the development of land in England shall be deemed to have been granted subject to the 'general biodiversity gain condition'.

However, the 'general biodiversity gain condition' does not apply in relation to planning permission for a development which is the subject of a householder application, within the meaning of Article 2(1) of the Town and Country Planning (Development Management Procedure) (England) Order 2015 (as amended).
