

Existing Ground Floor

Existing First Floor

GENERAL NOTES

- 1. All dimensions in millimetres (mm).
- 2. Means operated smoke alarms to all landings, in series and battery back up.
- 3. Dimensions are to be obtained on site and not scaled off this plan applied for contractor only.
- 4. Finished room dimensions may vary to those stated on this plan.
- 5. Work although specified may not be part of the agreed schedule of work/contract.
- 6. Any changes to this drawing must be advised/consulted by the Architect or Building Control Officer/Planning as applicable.
- 7. Party Wall Agreements are deemed to be the responsibility of the client unless the Architect is specifically appointed under a separate agreement to undertake such matters.
- 8. It is the responsibility of the client to seek for full planning permission and full building regulations to be granted before any work start.
- 9. All structural members are calculated without the length of the bearing. It is the responsibility of the contractor to measure the required length of any structural member on site.
