Is the proposed operation or use ☒ Permanent ☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The application is for the construction of a loft conversion with rear dormer window to a mid-terrace dwellinghouse. There will be no change to the use of the property as this will remain a singular dwellinghouse per existing.

The eventual approval and therefore constructed loft conversion will allow for some much needed space to a small size property as we seek to replace the existing and smallest box bedroom on the first floor with a good size bedroom within the loft inclusive of an en-suite. The materials to be used for the development will be to match and compliment the existing property.
