Details of the pre-application advice received

Following the refusal of Certificate of Lawful Development Application Ref: 30646/APP/2022/3317, we contacted the case officer to asses if a planning application for the front extension may be considered favourably.
The advice received was that, whilst the council don't usually accept front extensions, as there is an existing projection, extending this across further may be acceptable.

Authority Employee/Member

With respect to the Authority, is the applicant and/or agent one of the following:

(a) a member of staff

It is an important principle of decision-making that the process is open and transparent.

For the purposes of this question, "related to" means related, by birth or otherwise, closely enough that a fair-minded and informed observer, having considered the facts, would conclude that there was bias on the part of the decision-maker in the Local Planning Authority.
