4. Description of Proposed Works

Please describe the proposed works:

The proposal is for an extension to the side (following demolition of existing garage and partial demolition of existing side/rear extension), and for an extension to the front.

The proposal also includes raising the roof and converting it into a crown roof to allow for a first floor extension over the footprint of the original dwellinghouse and over the proposed ground floor front and side extensions.

The proposal also includes extending part of the existing rear extension to form a deeper and wider extension to accommodate a sunroom to the rear. It also includes replacing the non-uniform flat roofs over existing rear extensions with a new uniform flat roof raised to 3.335m above adjacent ground level in order to form consistent floor to ceiling heights throughout.
