Description of Proposal

Does the proposal consist of, or include, the carrying out of building or other operations?

- ☒ Yes
- ☐ No

If Yes, please give detailed description of all such operations (includes the need to describe any proposal to alter or create a new access, layout any new street, construct any associated hard-standings, means of enclosure or means of draining the land/buildings) and indicate on your plans (in the case of a proposed building the plan should indicate the precise siting and exact dimensions)

The proposal involves converting the loft space into a habitable space and extending it with a dormer. The additional volume from the roof and dormer extension will be 32.41 cubic meters.

Does the proposal consist of, or include, a change of use of the land or building(s)?

- ☒ Yes
- ☐ No

If Yes, please give a full description of the scale and nature of the proposed use, including the processes to be carried out, any machinery to be installed and the hours the proposed use will be carried out

The proposal is to convert the loft space into a habitable space and extend it with roof and dormer extension

If Yes, please fully describe the existing or the last known use, with the date when this use ceased

The existing use in inhabitable loft space

Has the proposal been started?

- ☐ Yes
- ☒ No

Grounds for Application

Information about the existing use(s)

Please explain why you consider the existing or last use of the land is lawful, or why you consider that any existing buildings, which it is proposed to alter or extend are lawful

There is no enforcement action taken against existing use or operation and they are not in contravention of any enforcement notice which is in force and does not involve a failure to comply with a condition or limitation subject to which planning permission has been granted.

Please list the supporting documentary evidence (such as a planning permission) which accompanies this application

Proposed plans and elevations, volume calculations

Select the use class that relates to the existing or last use.

Information about the proposed use(s)

Select the use class that relates to the proposed use.

C3 - Dwellinghouses

Is the proposed operation or use

- ☒ Permanent
☐ Temporary

Why do you consider that a Lawful Development Certificate should be granted for this proposal?

Because it meet the maximum size limitations for Class B and C specified in "Permitted development rights for householders - Technical Guidance" from September 2019, Ministry of Housing, Communities and Local Government.

Additions and alterations made to a roof to enlarge a house (for example a loft conversion or the replacement of an existing flat roof with a pitched roof) will only be permitted development if no part of the house once enlarged exceeds the height of the highest part of the roof of the existing house.

To be permitted development any additional roof space created must not increase the volume of the original roof space of the house by more than 40 cubic metres for terraced houses and 50 cubic metres for semi-detached and detached houses.

The enlargement shall be constructed so that –

- (i) other than in the case of a hip-to-gable enlargement or an enlargement which joins the original roof to the roof of a rear or side extension –
(aa) the eaves of the original roof are maintained or reinstated; and
(bb) the edge of the enlargement closest to the eaves of the original roof shall, so far as practicable, be not less than 0.2 metres from the eaves, measured along the roof slope from the outside edge of the eaves; and
(ii) other than in the case of an enlargement which joins the original roof to the roof of a rear or side extension, no part of the enlargement extends beyond the outs.

Any protrusion from a roof, for example, for a roof light/window and its frame, will be limited to 0.15m.
