

A line drawing of a house. The house has a gabled roof with a chimney on the right side. The walls are filled with diagonal hatching. The base of the house is a solid brick pattern. There are small decorative elements on the roofline, possibly representing gutters or eaves.

NO: 16

This architectural drawing shows the front elevation of a two-story building. The ground floor has a central door and a window to its right. The upper floor has two windows. A red dashed line runs vertically through the center of the building, indicating a section cut. The building is flanked by sloping walls, and a small chimney is visible on the roofline to the right.

NO: 14 NO: 16 NO: 18

A line drawing of a house with a chimney and a porch, filled with diagonal hatching. The house has a gabled roof with a chimney on the left side. A small porch is attached to the left side of the house. The entire house is filled with diagonal hatching lines. The drawing is simple and uses black outlines on a white background.

NO: 16

A horizontal number line with tick marks at 0m, 1m, 2m, 3m, 4m, and 5m. The labels are in red text above the line.
