Rear Garden view

The property at 163b Long Lane falls within the TPO 121 Area (1972) which protects the trees to the rear of the gardens from 153-163b Long Lane. The image above (Rear garden view) shows the trees that are protected. The works due to be undertaken are a minimum of 30m from any of this treeline and as such will not have any impact on the TPO status of the property.
