CDM regulations 2015

For *notifiable projects* the building contractor must produce a Construction Phase Plan, which will include :- a statement of methods of construction, hazards, risks and how the works are to be controlled.

A *notifiable project* is defined as works that are 30 working days long, with 20 workers at any point in the project or exceeds 500 working person days - this includes domestic projects.

To be read in conjunction with all CDM and HSE regulations.

Scale 1:100
