CDM regulations 2015

For notifiable projects the building contractor must produce a Construction Phase Plan, which will include:- a statement of methods of construction, hazards, risks and how the works are to be controlled.

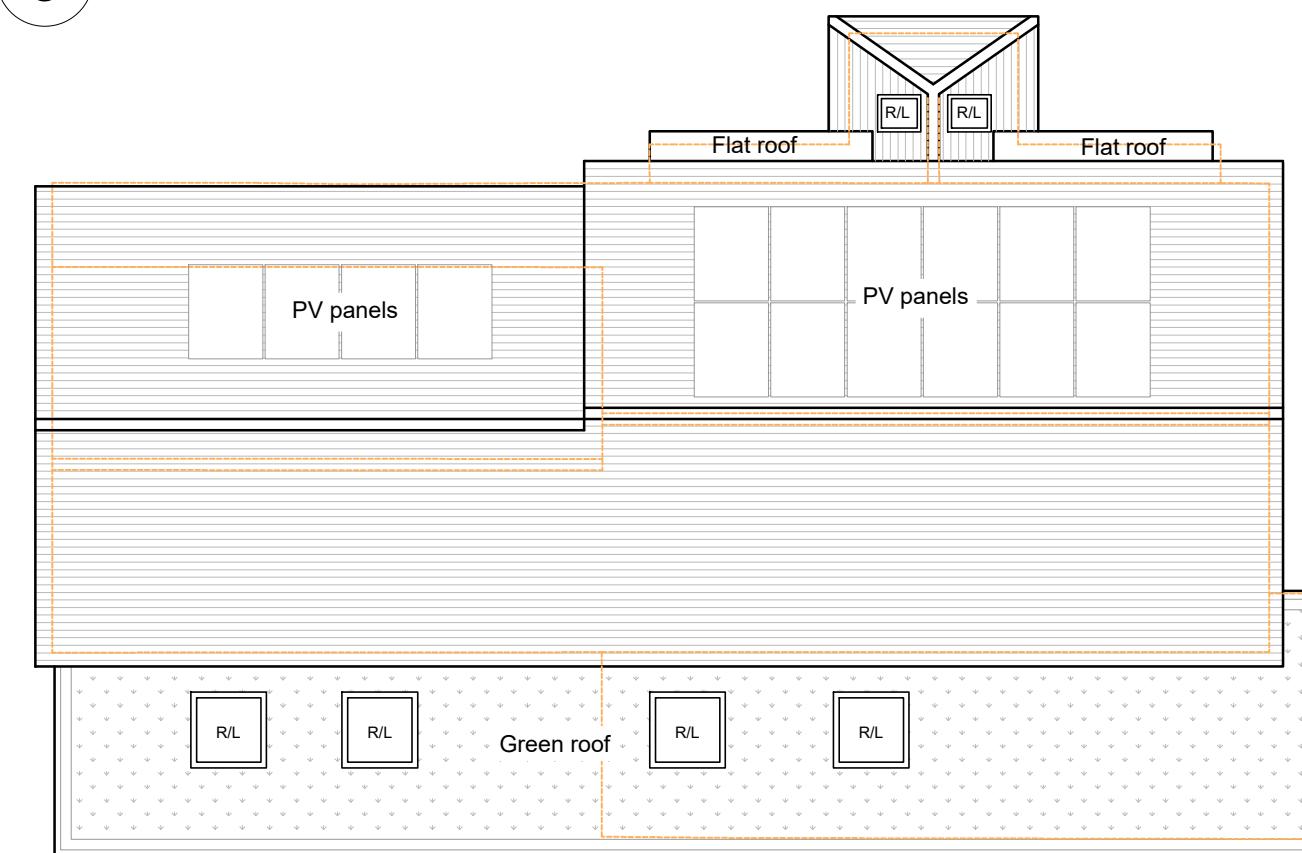

A notifiable project is defined as works that are 30 working days long, with 20 workers at any point in the project or exceeds 500 working person days - this includes domestic projects. To be read in conjunction with all CDM and HSE regulations.
