

This is not a construction drawing and must be used for planning approval only. The drawings must be read in conjunction with Building control approval drawings, structural engineer's details and all relevant statutory approvals. This drawing must not be used as a sole basis for preparing structural calculations. All dimensions, wall thicknesses and structural conditions must be verified on site prior to preparing structural details. Contractor must notify the supervising officer of any omissions and discrepancies prior to producing material and commencing construction.

All dimensions verified on site.
All work to comply with British Standards, Code of practice.

All work to be to the satisfaction of the local authority-building surveyor.
All external surfaces to match existing.
