

# A-Existing Coving Level

1 : 25

 Listed  
Area of Timber Coving

- Wooden coving, falling down, unstable, fire risk refer to planning report for more details
  - 1. Health safety risk to customers
  - 2. Difficult to refurbishment back to its original condition
  - 3. Other stores do not have listed features,

If listed features are kept this will effect the internal arrchitectural desing and will not allow the client to fully utilise the space. This wood coving feature/structure has to be removed to help with the new layout
