

SCALE BAR (m)

NOTES  
 1. All dimensions are to be observed on site prior to the commencement of work and any discrepancy is to be reported to the construction manager before construction.  
 2. All work is to comply with current Building Regulations and allied legislation.  
 3. All contractors and sub-contractors must ensure that they have the latest issue of this drawing and details before the commencement of work.  
 4. All materials are to be used and installed in strict accordance with the manufacturers instructions and recommendations.

5. All levels on site, measured and indicated as a result of the stages indicated on this drawing, are to be given full consideration for compliance with the Health and Safety (CDR) Regulations in respect of design and implementation of site and no works are to be undertaken until a construction interface with the Building Regulations cannot be achieved.

6. All dimensions shown in millimetres.  
 7. Footprint of buildings shown at 100mm above ground level.

8. All levels on site, measured and indicated as a result of the stages indicated on this drawing, are to be given full consideration for compliance with the Health and Safety (CDR) Regulations in respect of design and implementation of site and no works are to be undertaken until a construction interface with the Building Regulations cannot be achieved.

9. All dimensions shown in millimetres.
