This is a detailed floor plan of a 2-bedroom house. The house is situated on a plot with a 'Rear Garden' to its north. The house features a central hallway with a staircase leading to the first floor. The ground floor includes a living room, a dining room, a kitchen, and a bathroom. The first floor has two bedrooms and a bathroom. The house is accessed via a curved driveway labeled 'GARDENS' at the bottom. The plot number '21' is visible on the left side of the house. The overall layout is compact and efficient, with a clear separation between the house and the rear garden.
