Dear Rob Black

We have now assessed the application below against safeguarding criteria and can confirm we have no safeguarding objections to the proposed application. However, we would like to make the following observation:

Cranes

Given the nature of the proposed application, it is possible that a crane may be required. We would, therefore, draw the applicant's attention to the requirement within the British Standard Code of Practice for the safe use of Cranes, for crane operators to consult the aerodrome before erecting a crane in close proximity to an aerodrome. This is explained further in Advice Note 4, 'Cranes' (available at <http://www.aoa.org.uk/wp-content/uploads/2016/09/Advice-Note-4-Cranes-2016.pdf>)

Kind regards
