Why do you consider that a Lawful Development Certificate should be granted for this proposal?

The proposed outbuilding complies with the requirements of Class E, Part 1, Schedule 2 of the Town and Country Planning (General Permitted Development) (England) Order 2015 (as amended). It is for a purpose incidental to the enjoyment of the dwellinghouse, is located within the curtilage, does not exceed height or footprint limits, and does not involve a separate use. Therefore, it constitutes permitted development and is lawful.
